THINKBEFORE YOUTHROW®

ThinkBeforeYouThrow (#TBYT) is ADSI's education program dedicated to teaching our community the importance and proper practice of recycling. It is a grassroots effort made of easily accessible resources which aims to provide fun and simple materials to be used to educate and inspire people of all ages.

#TBYT strives to focus on recycling, zero waste, and sustainability while also bringing awareness to the impact we are making on our environment, Mother Earth, and the future of our children.

Scholarships

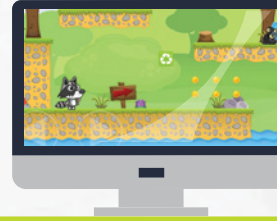

Do you know a deserving high school senior? We want to hear from them! ADSI awards a total of \$20,000 in scholarships to 8 commendable high school seniors each year. Students who have joined ADSI's environmental efforts by making a significant impact in their school, community, or home are encouraged to apply. Our hope is to support students as they set out on their way to becoming future leaders in Environmental Science or Technology.

Scholarship information can be located at your school's career or guidance center and online at www.americandisposal.com.

Online Games

Full of exciting adventures and educational content, our online games are a smash hit! Learn how to *ThinkBeforeYouThrow* while having fun at www.americanrecycles.com!

Touch-a-Truck

Watch little eyes light up at your community event by booking one of our trucks! Our team of certified CDL drivers and knowledgeable outreach crew will bring a rear load truck, games, and fun prizes to your event. Attendees can sit in the cab, take a photo, and learn how the truck operates!

Contact us to inquire about our availability and any other details on this fun option for your event!

School Presentations

Need help explaining recycling to your students in a fun and educational way? We've got you covered! We offer comprehensive presentations for ages 5-18 to help teach them to *ThinkBeforeYouThrow*! These presentations last around 35 minutes and are packed full of information on Reducing, Resusing, and Recycling and the effect our waste has on our environment.

We're happy to provide you with more detailed information regarding these presentations. Contact us to find out more!

Recycling Center Tours

*Only Available in Virginia

Recycling is an easy concept to grasp, but how does it actually work? The best way to answer that question is to see it in person! We offer interactive and informative tours for groups of 10 or more of our very own recycling facility where you can learn about 'Single Stream' recycling, recycling's history, and how the facility runs. Tours are conducted Tuesday's at 10 am which makes them perfect for field trips and summer activities.

Give us a call to schedule your tour or head over to our online request form at www.americanrecycles.com
